

## PATH OF THE MILLIPEDE

Your organization's tasks are disorganized and poorly distributed. These problems become exacerbated when working with volunteers. You find it challenging to match volunteers' talents with your organization's needs and to maintain sustainable partnerships with volunteers. This Path aims to provide a functional model for working with volunteers, and can also be used for the recruitment of new paid staff.

### WHO SHOULD GET INVOLVED?

Everyone in the organization should be involved.

### AT THE END OF THIS SESSION YOU WILL HAVE:
